

ERGOMAT® F-MAT

Fire-retardant and chemical resistant anti-fatigue mat in polyurethane.

► Fire retardance:

- Fire retardant per DIN 4102-B1, section 14

► Chemical resistance:

- Outstanding. The ERGOMAT F-MAT will not be affected by most commonly used acids and bases and will withstand cutting oil.*
- We will provide samples for chemical resistance testing with specific chemicals used in your facility.

► Cleaning:

- Sweep or vacuum as appropriate. The F-MAT may be hosed down or easily washed with a string mop if necessary.
- ERGOMOP – designed to clean the ERGOMAT in cleanroom environments. Allows for controlled cleaning wet or dry.

► Weight:

- 1 pound per square foot

► Specialty applications:

- Cleanrooms: Class 100 (Fed. Sys. No. 209D)
- Static control: The ERGOMAT F-MAT is *not* a static control mat – point to point resistance > 10¹² ohm.

► Raw material:

- Polyurethane – freon free.

► Thickness:

- 5/8"

► Temperature range:

- Constant: 32°F to 175°F
- Briefly: 250°F

► Optional Equipment:

- Non-slip backing for dry, polished floors or carpet
- Grommet for hanging smaller mats

* *Contact Latta for details.*

Please note that while the right mat can reduce the risk of slips and falls, no product can guarantee that accidents won't happen. Suitability to task in all aspects must be determined by you, the end-user, and Latta Equipment accepts no responsibility for damages involving the use of this product.

► Primary usage areas:

All dry, non-abrasive manufacturing areas where fire-retardancy is a must. May also be used in moist and oily environments.

- Non-abrasive manufacturing
- Laboratories with occasional chemical spills.
- Areas with occasional moisture

► Non-slip properties:

- Very good (R11/V10 [DIN 51130])

► Color:

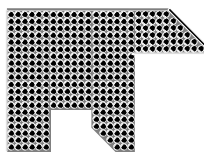

- Black

► Standard sizes (±3%):

- 2', 3' and 4' wide in length increments of 1' between 3' and 60'

► Custom sizes:

- We can supply any size or shape that you may require.

► Edge:

- Beveled on all sides unless otherwise specified

► Warranty:

- The ERGOMAT® F-MAT is guaranteed against wear for three years continuous usage in dry, non-abrasive environments.* It will not lose its elasticity and will provide continuous anti-fatigue benefits.
