

SMOOTH ERGOMAT® ANTISTAT

The perfect anti-fatigue, static control solution for combined rolling and standing environments.

Primary usage areas:

The SMOOTH ERGOMAT ANTISTAT is designed to provide ergonomic support in combined rolling and standing environments. Its low profile design makes it ideal for work stations that require compatibility with rolling chairs, carts and two wheelers. The SMOOTH ERGOMAT ANTISTAT is not intended to be used as a chair mat.

Color:

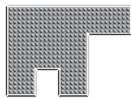

- Gray

Standard sizes (±2%):

- 2', 3' and 4' wide in length increments of 1' between 3' and 60'

Custom sizes:

- Custom shapes available

Edge:

- Beveled unless otherwise specified

Warranty:

- The SMOOTH ERGOMAT ANTISTAT is guaranteed against wear for 3 years in non-abrasive and dry environments. It will not lose its elasticity and will provide continuous ergonomic benefits.*

Chemical resistance:

- Good – occasional exposure only. We will be happy to provide samples for your own tests.*
- The SMOOTH ERGOMAT ANTISTAT should not be used in wet areas.

Cleaning:

- Sweep or vacuum as appropriate. The SMOOTH ERGOMAT ANTISTAT may be easily washed with a string mop if necessary.

Weight:

- 0.8 pound per square foot

Specialty applications

- Cleanrooms:
Class 100 (Fed. Sys. No. 209D)
- Static control:
Static dissipative per EOS/ESD DS-7.1 1994
 - point to point resistance
1.2 x 10⁹ ohm (typical)
 - resistance to groundable point
1.6 x 10⁹ ohm (typical)

Raw material:

- Polyurethane – freon free

Thickness:

- 7/16"

Temperature range:

- Constant: Minimum 32°F – Maximum 175°F
- Briefly: 250°F

* Contact Latta for details.

Please note that while the right mat can reduce the risk of slips and falls, no product can guarantee that accidents won't happen. Suitability to task in all aspects must be determined by you, the end-user, and Latta Equipment accepts no responsibility for damages involving the use of this product.
